Bid # LPS 20-2

Ledyard Public Schools is seeking bids from qualified parties to supply and install a PA and video system at the Gales Ferry School. There will be a non mandatory walk through at 10AM on Tuesday November 24, 2020. Bid packages can be obtained by emailing Wayne Donaldson Ledyard Public Schools Facilities Director at Wdonaldson@ledyard.net. Sealed bid submissions are due on Wednesday December 9, 2020 at 11AM. Bids must be received at Ledyard Public Schools 4 Blunders Blvd. Ledyard, CT 06339 Attn Wayne Donaldson before the assigned date and time. Bids submitted after the deadline will be considered. Please enclose your bid in a sealed envelope clearly marked with the Bid number and name. Questions can be emailed to wdonaldson@ledyard.net until 3PM on Monday December 4, 2020. *(All questions must be in writing or email and only to the Director of Facilities)* Ledyard Public Schools reserves the right to waive minor discrepancies in bids or to accept or reject all or part of any submission. All bid submissions are the property of Ledyard Public Schools and will not be returned to the bidder. Award notification to the successful bidder is expected on or before Thursday December 10, 2020.

It is strongly urged that all prospective bidders notify Wayne Donaldson Ledyard Public School Facilities Director of their interest to insure receipt of any addendums. Bid packages are available on the Ledyard Board of Education web site www.ledyard.net listed under district/finance/bids. The response to all questions will be sent to all firms that have requested bid packages, registered with the Facilities Director or attended the walk through. *(Down loading the bid from the BoE website will not insure receipt of any addendums)*

All bids must contain a certification stating that the bid amount is valid for a period of 90 days from bid opening date. Certificates of insurance and proof of manufacturers certification for the equipment being offered and any applicable State of Connecticut licenses for the work being performed.. All bids must clearly state the equipment warranty information and the successful firm will supply a warranty on labor for a period of two years from the date of completion to cover installation issues or service under the length of the manufacturer's warranty.. Firms are encouraged to submit pricing on the equipment specified but alterations will be considered. Firms submitting alternate equipment specifications should include all pertinent information and documentation on the substitute equipment. Project is expected to be completed during the Winter Break December 23, 2020 to January 3, 2021.
