Interactive Projector Bid
Bid # LPS 24-2

Ledyard Public Schools is seeking bids from qualified bidders for the purchase and installation of nine (9) interactive projectors for Ledyard High School.

We are seeking bids for both Epson 1485 with finger touch or Epson 780 with finger touch.

A non-mandatory walkthrough of the project school will take place on March 13, 2024 at 1:00PM at Ledyard High School 24 Gallup Hill Rd Ledyard, Ct.

Work is expected to start in early August and must be completed no later than August 22, 2024. This project is part of room upgrades to the Ledyard High School classrooms and installation access will be given once the new ceilings have been installed.

Bid packages can be obtained by emailing Wayne Donaldson Ledyard Public Schools Facilities Director at Wdonaldson@ledyard.net. Sealed bid submissions are due on Thursday March 28, 2024 by 11AM. Bids must be received at Ledyard Public Schools 4 Blonders Blvd. Ledyard, CT 06339 Attn: Wayne Donaldson before the assigned date and time at which time the bids will be publicly opened. Bids submitted after the deadline will not be considered. Please enclose your bid in a sealed envelope clearly marked with the Bid number and name. Questions can be emailed to wdonaldson@ledyard.net until 3PM on Friday March 22, 2024. *(All questions must be in writing or email addressed only to the Director of Facilities)* Ledyard Public Schools reserves the right to waive minor discrepancies in bids or to accept or reject all or part of any submission. All bid submissions are the property of Ledyard Public Schools and will not be returned to the bidder. Award notification to the successful bidder is expected on or before Friday April 12, 2024.

It is strongly urged that all prospective bidders notify Wayne Donaldson, Ledyard Public School Facilities Director, of their interest to ensure receipt of any addendums. Bid packages are available on the Ledyard Board of Education web site www.ledyard.net listed under district/finance/bids 2023-24. The response to all questions will be posted on the district website as addendums. It is each bidders responsibility to verify the website for addendums and sign off acknowledgement of receipt. *(Down loading the bid from the BoE website will not ensure receipt of any addendums)*

Project requires the installation of 2 ceiling mounted speakers per classroom and the installation of a wall mounted control panel at the teachers location. Power and internet connections at the projector location to be supplied by the owner. All wiring is to be wall fished where possible or in metal wiremold style conduits. No non metal enclosures are allowed. All conduits are to be physically attached to the wall no adhesives allowed. Contractor is required to provide 1 training session prior to 9/1/24 for staff training on the use of the projectors.

All bids must contain a certification stating that the bid amount is valid for a period of 90 days from bid opening date. The successful bidder will be required to provide a certificate of insurance and proof of manufacturer's certification for the equipment being offered and any applicable State of Connecticut licenses for the work being performed. All bids must clearly state the equipment warranty information and the successful firm will supply a warranty on labor for a period of two years from the date of completion to cover installation issues or service under the length of the manufacturer's warranty. Ledyard Public Schools is attempting to standardize the projector and smart TV equipment across all schools so alternate brands of equipment will not be accepted. Alternate models will be considered if they meet the minimum specifications of the original equipment. Bid package must include cut sheets for all the equipment being provided as part of the bid. Ledyard Public Schools reserves the right(?) to alter quantities or purchase the Projectors and TV's from separate vendors. Please list pricing as individual projects and provide any discount offered for award of both sections of the bid.

Town bid list is for an apples to apples comparison. Bidders are responsible to ensure that their bids include all equipment, wiring and labor to complete the project. Omissions on the material list provided for the bid are the bidders responsibility. Additional equipment needed should be added to the list and pricing provided. The successful bidder will be required to certify that all employees working on the project do not have any criminal backgrounds or are on a sex offender list. Access to the site during the installation period will be during normal business hours. Other hours can be offered if needed to complete the project on time at the contractor's expense.
